SENIORS'
RESOURCE
CENTER

www.srcaging.org

- We provided direct services to **18,655** individuals in Adams, Arapahoe, Broomfield, Boulder, Clear Creek, Denver, Douglas, Gilpin, Jefferson and Park counties.
- **8,018** seniors were provided Coordinated Care Management Services ranging from crisis intervention to friendly visitors and referrals. **150** individuals received \$58,332 through the emergency and energy assistance program.
- **473** seniors were provided with **86,152** hours of In-Home Care Services, which offers light housekeeping, cooking, bathing, shopping, non-medical tasks and companionship.
- Our Transportation Services program drove **3,905** older adults and the disabled to the grocery store, medical appointments, community meals and senior centers – **138,395** times.
- **329** seniors with developmental disabilities or debilitating diseases received Adult Day and Respite Care at five locations.
- **1,421** volunteers from our agency volunteers and the RSVP program provided home repairs, fraud prevention education and personal support, and contributed **198,952** hours of volunteer service to the community (equivalent to **83** full-time employees).
- Volunteers also provided home repair, friendly visits, tax return assistance, snow shoveling, and yard work to more than **1,532** seniors.
- **121** seniors who were at or below 125% of the poverty line participated in our Job Training program to help them return to the workforce.
- **4,528** seniors from four foothills counties received services at SRC-Evergreen, lovingly known as the “Yellow House.”
- Information and education outreach served **111,000** people through community resource fairs, presentations and unique website visits.
