March is Women’s History Month

The 2020 Women’s History Month theme is “Valiant Women of the Vote.” The theme honors “the brave women who fought to win suffrage rights for women, and for the women who continue to fight for the voting rights of others.” [www.womenshistory.org](http://www.womenshistory.org)

March 3rd – Caregiver Appreciation Day

A very important day of recognition for the millions of Americans, who selflessly give their time to care for those who are ill, disabled, or elderly.

This day of recognition is for both paid and unpaid caregivers. They silently go about the task of supporting someone in need, most often a family member.

March 8th - Daylight Saving Time Begins

"One person can make a difference, and everyone should try."

March 17th - St. Patrick’s Day

St. Patrick’s Day is a celebration of Irish pride and heritage. Saint Patrick was a British-born priest and former slave who is known for converting the Irish to Christianity and chasing the snakes out of the country. He died on March 17, in the year 461 and was mostly forgotten. As time passed, stories grew around St. Patrick and centuries later he was honored with the title of Patron Saint of Ireland. Every year, on March 17th, this holiday is celebrated around the globe with shamrocks, leprechauns and lots of green.

"The meaning of life is to find your gift. The purpose of life is to give it away."
– Pablo Picasso
